

CURRICULUM VITAE
ELLIOT MARK PERLMAN, M.D.

April 30, 2005

The Rhode Island Eye Institute
150 East Manning Street
Providence, RI 02906
Telephone: 401-272-2020
Fax: 401-421-5979

Satellite Office:

The Rhode Island Eye Institute
235 Hanover Street, Suite 201
Fall River, MA 02720
Telephone: 508-679-0150
Fax: 508-324-9085

EDUCATION

Undergraduate

1965-1969 Brown University, Providence, RI; B.A.
June, 1969. Honors received: *magna cum laude*;
Phi Beta Kappa (1969); Sigma Xi (1969).

Medical School

1969-71 Brown University Program in Medicine,
Providence, RI: Master of Medical Science, June, 1971
Honors received: Noyes Foundation Fellowship for 2nd year of medical school (1970).

1971- 1973 Harvard Medical School, Boston, MA: M.D.

Other Advanced Degrees

1969-71, Master of Medical Science, Brown University, June, 1971

POSTGRADUATE TRAINING

Transitional Year

June, 1973-June, 1974: University of Miami Affiliated Hospitals, Miami, FL, (Straight Medicine)

Residency

November, 1974 - February, 1978: Department of Ophthalmology, Yale University School of
Medicine, New Haven, CT
Honors received: International Eye Foundation Fellowship, March-June 1977, for ophthalmic
practice in Albert Schweitzer Hospital, Des Chapelles, Haiti; Member, Advisory Committee to the
Continuing Education Committee in Ophthalmology of the American Academy of
Ophthalmology, 1975-1978.

Fellowships

Corneal Surgery with Dr. David Paton, Department of Ophthalmology, Baylor College of Medicine,
Houston, TX July, 1978- June, 1979:

External Disease and Corneal Surgery with Dr. Jeffrey Lanier, Department of Ophthalmology,
University of Texas, Houston, TX January, 1979 - June, 1979

**POSTGRADUATE HONORS
AND AWARDS**

Recipient, 1987 H. Frederick Stephens Annual Teaching
Award, Rhode Island Hospital

**PROFESSIONAL LICENSES
AND BOARD CERTIFICATION**

Rhode Island
Massachusetts

American Board of Ophthalmology 4/26/78

ACADEMIC APPOINTMENT

Clinical Assistant Professor of Surgery
(Ophthalmology) Brown University Program in
Medicine, September 1980 - June 2000

Clinical Associate Professor of Surgery
(Ophthalmology) Brown University Program in
Medicine, June 9, 2000 to present

Director, Corneal Service, Rhode Island Hospital, Brown University School of Medicine, 1979 -
present

HOSPITAL APPOINTMENTS

Active Staff - Miriam Hospital, Providence, RI, 1979-present

Active Staff -Rhode Island Hospital Providence, RI, 1979-present

Active Staff -Nantucket Cottage Hospital, Nantucket, MA, 1985-present

Staff Ophthalmologist, Charlton Memorial Hospital,
Fall River, MA 1997-present

Staff Ophthalmologist, St. Anne's Hospital, Fall River, MA, 1997-present

Chief of Ophthalmology, Department of Surgery, Providence Veterans' Administration Medical
Center, Providence, RI 1979-1985

HOSPITAL COMMITTEES

Pharmacy and Therapeutics Committee, Miriam Hospital, 1996-present

UNIVERSITY COMMITTEES

Arrangements Committee, Phi Beta Kappa of Brown University,
1997-2002.

Vice President, Brown Chapter Phi Beta Kappa,, 2002 - present

MEMBERSHIP IN SOCIETIES

Rhode Island Society of Eye Physicians and Surgeons

Member, past secretary-treasurer (1983-1985); Third Party Liaison Committee Chairman, 1994-
1999); past president (1990-92)

The New England Ophthalmology Society (Program Committee, 1993-1997; Public Education
Committee, 1997-present, Chairman, 1999-2003; Chairman, Website Committee, 2003-present)

Providence Medical Society

Rhode Island Medical Society

American Medical Association

Eye Bank Association of America, Member

Contact Lens Association of Ophthalmologists, Member

Castroviejo Corneal Society, Associate member

American Academy of Ophthalmology, Fellow

Paton Corneal Society, Fellow

International Society of Refractive Surgeons, Member

American Society of Cataract and Refractive Surgeons, Member

6. Perlman. "Medical Myths: Patching the Eye Improves Comfort and Healing in Patients with Corneal Abrasion", *Rhode Island Medicine & Health*, December, 2000, p. 395.

ABSTRACTS

1. Figueroa, Josephson, To and Perlman. "New Method of Corneal Culturing", Poster presented at Association for Research in Vision and Ophthalmology, Ft. Lauderdale, FL, May, 1995.
2. Espailat, To and Perlman. "Effects of Collagen Implants in the Reduction of High Astigmatism Induced by Penetrating Keratoplasty", Poster presented International Society of Refractive Surgery, Miami, FL, May, 1998.

INVITED PRESENTATIONS

"Analysis and Interpretation of Refractive Errors after Penetrating Keratoplasty," presented at the 1979 American Academy of Ophthalmology meeting in San Francisco.

Endophthalmitis After Penetrating Keratoplasty: Preventative Strategies," presented at the New England Ophthalmological Society, Sept, 1986.

"Suturing of Posterior Chamber Lens with Penetrating Keratoplasty," presented at the New England Ophthalmological Society, Oct., 1987.

"Minimizing Astigmatism After Penetrating Keratoplasty," presented at the New England Ophthalmological Society, Sept. 16, 1988. Co-chairperson at same meeting.

"Unusual Refractive Errors Induced by Interchanging Trephines during Penetrating Keratoplasty," presented at 1989 Contact Lens Association of America Annual Meeting, New Orleans, January 18-21, 1989.

"Chlamydia," presented at Northeastern Regional Update Course, American Academy of Ophthalmology, Cambridge, MA, June 22, 1990.

"How I Determined Intraocular Lens Power in the Triple Procedure," presented at the New England Ophthalmological Society, Sept. 13, 1991.

"The Triple Procedure," presented at the Emmetropic Small Incision Cataract Surgery Symposium, Yale Eye Center, May 21, 1993, White Plains, NY.

"Managing Corneal Ulcers: Does the One-Drug No-Culture Technique Really Work?," presented at the New England Ophthalmological Society, Sept. 17, 1993.

"Anterior Ischemic Optic Neuropathy: Current Facts and Fads," Neurology Grand Rounds, Rhode Island Hospital, Providence, RI, Sept. 29, 1993.

"Piecing Together the Dry Eye Puzzle," invited speaker, presented at Seminar sponsored by Castroviejo Society at American Academy of Ophthalmology meeting, Chicago, IL, November 18, 1993.

"The Keratometer Revisited," presented Nantucket Corneal Conference, August 6, 1994.

"The Keratometer Revisited," one-hour didactic seminar presented at New England Ophthalmological Society, Boston, October 7, 1994.

Moderator, Cornea and External Disease Program, New England Ophthalmological Society, Boston, October 13, 1995.

"Jumping from the High Road to the Fast Lane: Experiences and Observations on Setting Up a Refractive Surgery Practice," presented at New England Ophthalmological Society, Boston, May 17, 1996.

"Epithelial defects after Penetrating Keratoplasty," presented Nantucket Corneal Conference,

August 7, 1995.

"Photophobia." Presented at Nantucket Corneal Conference, August 6, 1996.

"Two Illuminating Cases of Photophobia." Perlman. Presented at New England Ophthalmological Society, Boston, October 4, 1996.

"Clinical Experience with a New Simplified Method for Culturing Corneal Ulcers," Perlman, Josephson and To, presented at American Academy of Ophthalmology Annual Meeting, Chicago, IL, October 28, 1996.

"Contact Lenses and Corneal Ulcers," 31st Annual Meeting of Dominican Republic Ophthalmologic Society, Punta Cana, Dominican Republic, June 25-27, 1998.

"Avoiding Complications in Phacoemulsification," 31st Annual Meeting of Dominican Republic Ophthalmologic Society, Punta Cana, Dominican Republic, June 25-27, 1998.

"PTK for High Hyperopia," presented Nantucket Corneal Conference, July 24, 1998.

"What's the Best Treatment for Recurrent Corneal Erosion." Presented at New England Ophthalmologic Society, Boston, March 5, 1999.

"The Balancing Act: Achieving Emmetropia After Cataract Surgery". Presented at New England Ophthalmological Society, Boston, March 10, 2000.

"Fundamentals of Electronic Imaging" Perlman. Presented at New England Ophthalmological Society, Boston, March 9, 2001.

Moderator, "Keeping the 'Wow' Factor Alive: Practical LASIK Concepts", New England Ophthalmological Society, Boston, May 31, 2002.

"Understanding Wavefront for the Practicing Ophthalmologist-featuring a 'Beyond PowerPoint Experience!' Luncheon Seminar, New England Ophthalmological Society, Boston, November 19, 2004.

"Sutureless Pterygium Excision with Conjunctival Graft using Tisseel Fibrin Glue", New England Ophthalmological Society, Boston, April 8, 2005.

UNIVERSITY TEACHING ROLES

Guest lecturer: "Physiology for Non-majors" (Brown University undergraduate level, Biology, Leon Goldstein), Eye Lecturer, annually, 1990-present.

HOSPITAL TEACHING ROLES

Director, Corneal Service, Rhode Island Hospital, Brown University School of Medicine to Rhode Island Hospital ophthalmology residency since 1979.
Co-Director, Monthly Neuro-Ophthalmology teaching conferences, Rhode Island Hospital, 1986-1996 Teaching Rhode Island Hospital ophthalmology residents, neurology residents, and community ophthalmologists, neurologists and neurosurgeons, 1985-1996.

(CV-Dr.Perm-Brown: 4/05)
